

A REVIEW OF THE FIRST YEAR OF THE RMC EURO TROPHY BY WSK PROMOTION

Maglie (ITA),
13.12.2024

2024 was a milestone year for WSK Promotion, marked by the debut of the Rotax MAX Challenge Euro Trophy and the Rotax MAX Challenge Winter Cup among its championships, resulting from the collaboration with BRP-Rotax.

This new partnership has established a championship distinguished by the high quality of its competitions and remarkable participation.

An Unprecedented European Success

With 1,061 verified drivers from more than 50 countries, the Rotax MAX Challenge has become one of the most attractive and competitive championships in Europe. The five races held, spanning the Winter Cup and the Euro Trophy, provided thrilling action on major European circuits in Spain, Belgium, Germany, and Italy, with championships decided in the final moments and new champions crowned.

“This first year of the Rotax MAX Challenge Euro Trophy has been a significant achievement for WSK Promotion,” said Luca De Donno, CEO and President of WSK Promotion. *“In close collaboration with BRP-Rotax, we have built a platform that not only attracted outstanding participation but also delivered a top-tier competitive experience for drivers.”*

A Thank You to the Stars of 2024

Luca De Donno expressed his gratitude to all people involved: *“I would like to sincerely thank all the drivers, teams, mechanics, and professionals for their passion, commitment, and professionalism throughout this year. A huge thanks goes to BRP-Rotax for the opportunity to work on this series. It is thanks to your enthusiasm that we have made 2024 a truly unforgettable year.”*

Looking Ahead to 2025

2025 promises even more innovation, with the introduction of the Rotax MAX Challenge Winter Series, a new championship that will enrich the winter racing calendar, offering drivers new challenges and exclusive prizes.

“We look to the future with excitement,” WSK Promotion CEO and President concluded. “Our goal is to continue growing and improving, providing unique opportunities for Rotax drivers worldwide. We can’t wait to experience a 2025 filled with even more emotions, achievements, and new discoveries.”

With these words, WSK Promotion and BRP-Rotax reaffirm their commitment to elevating karting to even greater heights, cementing the Rotax MAX Challenge Euro Trophy and the Rotax MAX Challenge Winter Series as benchmarks in the international racing landscape.
